## SHELBY COUNTY AIRPORT and LANDING FIELD COMMISSION MINUTES OF MEETING July 10, 2023

Members present at meeting:

Commissioners--Paul Canaday, Rick Brown, John Hall, Steve Wempen, Walt Lookofsky

County Board Members--Carol Cole

Airport Manager--Scott Jefson

Others Present--Jim schwerman

Walt calls the meeting to order and asks Jim to give his farm report.

Jim said the wheat had been cut and that the double crop beans were planted immediately afterword's. Jim talked some on the bean crop, that the yield was in the mid seventies and he thought part of the problem was because the nitrogen was put on late. Jim said the market had move up towards seven dollars and that he had sold two thousand bushel at \$6.98, and has since fallen to just over five dollars. The soy beans we had left were sold at \$13.78 and the corn at \$6.21. Jim went on to explain more on our current corn and bean crop. A short discussion ensued on the crops. Jim finished his report and excused himself.

The minutes were read by all. Walt made a motion to approve the minutes. It was second by Rick and was approved by all saying aye.

The Treasurer's roport was read by all. Walt made a motion to approve the Treasurer's Report. It was second by Rick and approved by all saying aye.

## Bills Presented

Ameren IP	\$ 76.08
Shelbyville Water Department	\$ 58.65
Sherwin WilliamsHangar Paint	\$ 286.90
Albion Radio Communications, Inc3rd Quarter NDB Maintenance	\$ 504.00
Shelby County AviationReimbursement for Reel Lights	\$ 133.72
EPAStorm Water Fee	\$ 500.00
Shelby Electric Cooperative	\$ 800.71
Shelbyville Ace HardwareBldg. Maintenance	\$ 10.05
R. L. Wempen Lumber, IncAwning Material	\$ 432.83

Rick makes a motion to accept the bills as presented. Walt second it and it was approved by all saying aye.

## Managers Report

Scott said he had called Higher Power Hydraulic Doors about new doors for the T-Hangars.

For four doors the cost would be \$16,871 each and another \$26,600 to install them. For an additional \$1800 per door they would supply the trim and skin for each door. The airport could save money if they supplied the material. That comes to \$101,284 for four doors. Scott mentioned getting a quote and some information on the doors put together and present a proposal to the County Board at one of their meetings to see if the airport could be allocated some of the ARPA money that Carol had mentioned. A lengthy discussion ensued on the doors and how many that need to be replaced soon.

John mentions the hydraulic doors with the wide straps were over \$30,000 apiece vs these with cables. More discussion followed concerning the condition of several of the doors and the fact that they're all the same age. Scott mentioned four doors needing replaced now and a few more not far behind so it wouldn't hurt to ask for six.

Scott mentions two hangar renters that have not had their aircraft out of the hangar for a couple years and that one of the renters was going to pursue flying lessons and hasn't done anything yet. Said we might start thinking about sending an eviction letter to them so we can get renters that will purchase fuel. The other renter has a health condition and is going to sell his plane. Scott said his goal is to get both club planes together next to their office area.

Scott mentioned Garrett Wasson finally got his 182 here, so now we're going to have an airplane tied down out on the ramp until a hangar is available.

The mowing is still going on but the battery time shortened up with the grass being a little more green.

They did the second cut of hay Saturday. The car show fly-in was a great success. Scott mentions to John to turn in his expenses that he incurred for the car show that the donations would help offset that. Scott mentions people telling him that the airport should have a car show during the Balloon Fest. Scott said he wasn't sure right now, that people are asking about flying Young Eagles at the Balloon Fest too, so he wasn't sure, because it takes a lot of work and there's a lack of help. Scott also said there was a few comments about maybe shortening it up a bit maybe end at 3:00 instead of 5:00 and that it also felt like two different shows, car show and fly in because of the separation. A lengthy discussion ensued on where to park the show cars and the airplanes closer together and still have a live ramp, so airplanes could still get fuel if they needed. This would also get the people closer to the food vendors. John mentioned maybe putting a pavilion south of the fuel tanks to provide some shade for people and pilots needing to take a break. A lengthy discussion also ensued on not charging a fee to enter and maybe giving tickets to the spectators and having them vote on the cars and maybe giving trophies to the winners because people like trophies and it would be a lot less work. Scott mentioned the dumpster for the car show was going to be on our regular bill and that he went thru the SRE building and some of the hangars and pretty well finished filling the it. Scott mentioned to Steve that he received a load of fuel on Friday. Rick asks if there was any interest in the flying club during the car show and Paul said there was four or five possibly new members. Scott said the person that flew the Coles County flying club plane over to the car show was retiring from the police department and going to build a new house a couple miles south of the airport and moving here. Also Scott said Pat Boone from Effingham that was here is wanting to move over here. More discussion followed on the fly in and getting different military aircraft here and also check with the Guard about bringing a Black Hawk down.

## End of Managers Report

## **Old Business**

Rick asks about the rehabilitation of the Main Hangar and the grant money that would cover it. Some discussion ensued on the Main Hangar project and also the rehabilitation of the ramp project. Rick said he would call Lindsay and talk to her about them.

## **New Business**

Steve mentions the insurance on all the different buildings being insured for about half of replacement cost and would check with Facer on getting a quote doubling the coverage.

Some discussion ensued on the project.

Scott asks Carol what all he might put down on the proposal that he puts together to present to the County Board for the hangar doors. Some discussion ensued on the matter.

Rick makes a motion to adjourn and Walt second it.
