Gregg seconded said motion, which passed by roll call vote (10 yes, 2 no, 1 abstain, 3 present). Ayes: Boehm, Cole, Conlin, Gregg, Matlock, Morse, Strohl, Wafford, Wood, and Yantis. Nays: Brown and Hardy. Abstain: Mayhall. Present: Pritchard, Tate, and Wallace.

Under Chairman updates and correspondence, Mayhall informed the board that he had addressed with various State offices the tardiness of the county audits and the work being done to get those audits completed. The audit for fiscal year ending 11/30/2024 will be presented in September and the 2025 audit is expected to be complete in April of 2027. At this time the State and County are working together, and no fees or fines have been levied against Shelby County due to delinquent audits. Mayhall has had conversations with Zoning Administrator Herron about the possibility of a potential data center is in the SE corner of Shelby County which would involve Lake Mattoon. Mayhall stated if a moratorium is the desire of the board, work needs to be done to get that implemented. There was no old business to discuss.

There was no further business to come before the Shelby County Board.

Matlock made motion to adjourn until the next regular meeting to be held on September 10, 2026. Yantis seconded said motion, which passed by voice vote (16 yes, 0 no) and the meeting was adjourned at 7:36 P.M.

RESOLUTION OF THE
COUNTY BOARD OF THE COUNTY OF SHELBY, ILLINOIS

2026 - 33

A RESOLUTION ESTABLISHING CIVIL FEES AND
CRIMINAL AND TRAFFIC ASSESSMENTS
TO BE COLLECTED BY THE CLERK OF THE CIRCUIT COURT

WHEREAS, Resolution #2019 CO - 20 of Shelby County currently set forth the fees authorized by the County Board to be collected in both civil and criminal cases in Shelby County; and

WHEREAS, the Illinois General Assembly passed comprehensive legislation in 2018, which completely overhauls the criminal, traffic and civil fee structures in the circuit courts throughout the State of Illinois; and

WHEREAS, the purpose of the legislation was to consolidate fees into unified schedules for all counties, to realign fees to be constitutional, and to provide for fee waivers for low-income individuals; and

WHEREAS, effective July 1, 2019, Section 27.1b of the Clerks of Courts Act, 705 ILCS 105/27.1b, sets out the fees to be collected in all counties in the State of Illinois by the Clerks of the Circuit Court for the filing of pleadings and for other services provided by the Clerks; and

WHEREAS, Section 27.1b of the Clerks of Courts Act creates four schedules for civil filing fees, three schedules for civil appearance fees, and establishes various other fees that Clerks of the Circuit Court are authorized to collect for services, all of which are generally classified as "not to exceed" amounts; and

WHEREAS, Section 27.1b provides that, unless otherwise specified, the amount of the fees shall be determined by ordinance or resolution of the county board and remitted to the county treasurer to be used for purposes related to the operation of the court system in the county; and

WHEREAS, effective July 1, 2019, the newly-adopted Criminal and Traffic Assessment Act, 705 ILCS 135/ et seq., sets out minimum fines and assessments to be ordered by the court in criminal and traffic cases and disbursed by the Clerks of the Circuit Court in all counties in the State of Illinois; and

WHEREAS, Sections 15-5 through 15-65 of the Criminal and Traffic Assessment Act establish thirteen (13) assessment schedules for various criminal, traffic, conservation and non-traffic offenses, and for each schedule the County's portion of the assessment is specifically listed; and

WHEREAS, Sections 15-5 through 15-65 break down how the assessment amounts are to be distributed to various County funds, if those funds are in existence; otherwise, the amounts designated for funds that are not in existence are to be placed in the County's general fund for purposes related to operation of the court system in the County.

WHEREAS, the Governor of Illinois signed into law Public Act 104-0468 and parts of the act amend 705 ILCS 105/27.1b(a), 705 ILCS 105/27.1b(d) by adding a $5.00 fee to the Guardianship and Advocacy Fund and repeals the Guardianship and Advocacy Operations Fee under 705 ILCS 105/27.3(f) and removes the Current Account fee of $25.00 under 705 ILCS 105/27.1b(v) from the Guardianship case – GR/P.

Managers Report

Scott said him and Steve sat thru a Pre-Con meeting for the Ramp project. Howell wanted to start the following Monday but agreed to postpone milling till August third after Oshkosh and would do the preliminary stuff in the upcoming week.
The roofers have finished their work on the roof and are waiting for Tremco to come and do a final inspection. After the inspection they will let Hanson know and they would then come to the airport and do a final walk thru inspection of the entire project. Scott mentions that Steve had finished the north section of the common wall and that he planned on cleaning out the rest of his shop so Steve could continue working while he is gone to Oshkosh, hoping to leave on the 16th and be gone a week.
Steve said that he would come over later in the week to help with removing part of the sink cabinet.
John mentions needing to approve a door for the shop.
The crop dusters are hitting it hard now. Dom was over and they pumped a lot of Jet fuel into their tanks and took it to the east end. Steve said he got to talk to Dom and told him we would like to settle up because we had finally sold a good amount. Dom said he would get the wholesale price and let him know. Steve said that was going to change our profit margin considerably because the fuel we sold was bought at a lessor price and that we're going to pay the replacement cost needing to adjust our selling price. A short discussion ensued on the issue. Scott mentions that Dom said he's still interested in the fence we've got.
The beans have been replanted and sprayed. The haye has been cut and bailed. One-hundred and thirty-two bails that need to be hauled off.

End of Managers Report

Old Business

Concerning the fence, Austin said he had talked to Ruth Woolery, the States Attorney, about the fence and since we put it down as surplus and that we had put it out for bid and had no response on it that we could dispose of it anyway we wanted. Austin said he also talked to Ruth about the airport getting a credit card. Ruth first said that the airport needed to go thru the county with the county's credit card policy. The problem is that the County only has $1500 left in credit with the credit card processor. If we went thru the County we would only have that amount of credit limit. In reading the credit card policy it said the county's vendor or others. So that means that the airport can pursue getting their own credit card.

Also discussed was the purchase of a six foot double steel door. After some discussion on a double steel door with 12' X 12" glass in each Ryan made a motion to spend up to $2000 on the purchase of a steel door for the shop and John second it. It was approved by all saying aye.

New Business

Rick mentions needing to discuss and approve Alternate 1, Alternate 2 or both for the T-Hangar asphalt rehab project. Steve read thru the airports current financials, all revenue and future expenses. After some discussion, it was decided that it would make things tight for awhile, but it made no sense to not replace all of the asphalt. To do the Base Bid and both Alternates the airports share of the project would be $79,000+ and could do it but might need some help from SCSB until all reimbursements plus our Aviation Fuel Tax Reimbursement of $34,000+ is deposited.

John made a motion to accept the Base Bid and Both Alternates for the T-Hangar Asphalt Rehab project and Caleb second it. It was approved be all saying aye.

After some discussion it was decided to wait on making a motion to borrow additional money until we have some idea of how much we're going to need.

Ryan made a motion to adjourn. Caleb second it and it was approved by all saying aye.

Shelby County Clerk/Recorder
301 E Main St. PO Box 230
Shelbyville, IL 62565

Ms. Fox:

Please accept my resignation from the Shelby County Ethics Committee. My name is Gary Kull. Many years ago, I was asked to serve on this committee to deliver judgements on ethics questions for the county. I accepted and that was the last mention of that position until recently.

In checking into the current guidance and oversight of said committee as well as its purpose and function, it appears that practices and procedures for the committee are very vague. Also, there is no listed leader or plan for reporting findings.

In light of the vagueness of the mission of the group, the lack of county oversight, and the lack of defined practices and procedures, I am compelled to resign from the appointment of the Shelby County Ethics Committee.

Sincerely,

[redacted]

Gary L. Kull
