SHELBY COUNTY BOARD MEETING
September 10, 2014 – 9:00 A.M.

The Shelby County Board met on Wednesday, September 10, 2014, at 9:00 A.M. at the Courthouse in Shelbyville, Illinois.

Chairman Bruce Cannon called the meeting to order. Pastor Rod Hite of Destiny Fellowship Church in Moweaqua gave the prayer and all present recited the Pledge of Allegiance.

County Clerk Jessica Fox called the roll. Jordan was absent.

Minutes for the August 13, 2014 board meeting were presented for approval. Mulholland made motion to approve the minutes as presented. Hunter seconded said motion, which passed by voice vote (20 yes, 0 no).

Chairman Cannon announced the resignation of Vera Lu Jeffers from Board of Review District #2 as of August 18, 2014. Chairman Cannon stated the Central Committee Chairs had been notified of Jeffers' resignation and declared the vacancy of position. The Democratic Central Committee recommends appointing Patti Kensil to fill the unexpired term of Jeffers in Board of Review District #2.

Barr made motion to appoint Patti Kensil to fill the unexpired term of Vera Lu Jeffers in Board of Review District #2. Clark seconded said motion, which passed by voice vote (20 yes, 0 no).

Chairman Cannon presented the FY 2014-2015 County Levies Resolutions for approval. (Original County Levy Resolutions are attached to these minutes).

Cruitt made motion to approve the Shelby County Tax Levy for FY 2014-2015. Wetherell seconded said motion, which passed by roll call vote (20 yes, Jordan absent, Cannon not voting).

At this time, Chairman Cannon called for the County Highway Engineer's report.

Alan Spesard, County Highway Engineer, addressed the Board to present some updates and funding announcements. Spesard reported that construction began on the closed bridge in Holland Township on August 8th. It is unlikely that this bridge construction will be completed this fall unless the weather cooperates. The two railroad crossing approaches in Okaw Township are basically complete. The Highway Department, who also designed this project, is just waiting for some decent weather to complete the oil and chip work. Spesard reminded the Board that this project was almost 100% funded by the Illinois Commerce Commission with Okaw Township picking up the remainder of the costs. The second phase of the DCEO Grant for microsurfacing of the Coon Creek road, which is a County Highway is set to begin this week and should take a couple of days to complete. The DCEO grant also funds 100% of this project.

Continuing with funding announcements, Spesard stated that 100% funding for a railroad crossing approach in Clarksburg Township on a township road has been approved from the Illinois Commerce Commission in the amount of \$65,000.00. Similarly, 100% funding has been approved for a railroad crossing approach in Tower Hill Township and also a request for a closure of an adjacent railroad crossing approach. Both of these crossings sit on a township road and due to the closure of one of the crossings, Tower Hill Township will receive incentive money for road repairs in the amount of \$22,500.00. The total cost for this job is \$301,000.00. Both of these jobs should begin in the spring after the agreements have been signed and the bid letting held. Spesard was notified in a letter from Governor Quinn that Shelby County is set to receive \$65,529.00 in funding from the new Capital Bill and that townships will also receive a portion of funds dependant on the mileage of road in their townships.

Zoning Administrator/EMA Coordinator/PCOM Jared Rowcliffe highlighted the Zoning/EMA/PCOM report previously mailed to the board for their review. The monthly combined report from CIPT was also reviewed with the Board. Under Zoning, Rowcliffe presented a Resolution to rezone property owned by James Dunaway located in Section 14 in Rose Township from Residential to General Business for commercial development.

Clark made motion to approve the Resolution to rezone property owned by James Dunaway in Section 14 Rose Township from Residential to General Business for commercial development. Williams seconded said motion, which passed by voice vote (20 yes, 0 no). (Resolution attached to these minutes).

Chairman Cannon called for committee reports. (Committee reports are attached to these minutes). Reports were given and items presented for follow-up or for public awareness are as follows:

Law Enforcement Chair Kearney – there will be a "fact-finding" meeting on September 18th to discuss solutions regarding the Copeland Bridge issues caused by tubers on the Kaskaskia River.

Regional Office of Education Appointee Kearney – the Budget for the Regional Office has been approved. The roof repair has been complete and every county paid their share. An amended lease agreement will be presented at the October Board meeting, which included the maintenance fee, which Shelby County has already included in the FY 2014-2015 Budget.

Animal Control – in Jordan's absence, Kearney reported that Animal Control Warden Hudson has begun to get some of the Inter-governmental agreements for Animal Control Service back from some of the municipalities.

Shelby County Board Meeting
September 10, 2014

Solid Waste Chair Warren – the committee would like to hold an electronics pickup day, but the waste hauler is now charging \$1,500.00 per truck. Warren stated the committee will continue looking into locating a hauler that won't cost a great deal of money.

Public Buildings Chair Warren – construction will begin next week on the room for the Court Reporters, which will be located in the Law Library. County Board member Wetherell will be doing this construction project.

Under Chairman Updates Chairman Cannon reported on meeting recently with State Senator Chapin Rose in regards to how Shelby County could break away from West Central Development Council and join Coles County Regional Planning. Cannon explained that these economic development areas are mandated by the State. Board member Amling stated with the potential to develop a Regional Sewer System that would benefit areas of Findlay, Shelbyville and some rural areas in Shelby County, it would be nice to have Coles County Regional Planning be able to write grants for Shelby County in order to secure some financial resources for such a project. Kelly Lockhart, from Coles County Regional Planning and Development, stated that they are not part of an economic development council and do not charge dues, but rather charge for services as they are needed, which generally results in a cost savings. Discussion was held about the Job Center, which is part of WCDC, and all of the people that it helps throughout the County. Barr stated the County had tried to leave the WCDC before and couldn't. Cannon recommended having a representative from the Job Center attend the October County Board meeting and update the Board on all that they offer.

Under correspondence, Chairman Cannon stated he had received a letter from Sheriff Miller requesting his weapons (service revolver, shotgun and AR-15), as well as payment of 89 sick days that he had accrued while working as a deputy for the Shelby County Sheriff's office prior to becoming Sheriff. Cannon reported the Budget Committee had declined both of Sheriff Miller's requests. County Treasurer Debbie Page stated she had spoken with IMRF, and since he is not eligible to retire at the end of November 2014, these days are not able to be applied to his retirement. Some Board members recommended checking with the County's new labor relations attorney in regards to this matter. The County has never outright paid for sick time before when someone has terminated their employment. If the County were to make an exception and pay the Sheriff a precedent would be set that could be expensive for the County in years to come. Discussion was held.

Chairman Cannon then requested the appointments of the following:

William Kroenlein- Shelby County Zoning Board of Appeals

Tom Horsman – Shelby County Planning Commission

Frank Mulholland – Eastern Illinois Economic Development Authority

Nancy Handegan – Combined Drainage District # 2 Town of Tower Hill

Julie Elbert – Combined Clarksburg & Shelbyville Townships Drainage District #1 Townships of Clarksburg & Shelbyville

Charles Kuhle – Union Drainage District #1 Townships of Flat Branch and Assumption, Shelby and Christian Counties

Clark made motion to approve the Chairman's appointments. Hunter seconded said motion, which passed by voice vote (20 yes, 0 no).

Kevin Bernson, Vice President for Public and Media Relations for Shelby Electric Cooperative, addressed the Board to discuss the Touchstone Energy Balloonfest to be held in conjunction with Scarecrow Daze the weekend of October 10 – October 12, 2014. Bernson requested a donation from Shelby County to help offset costs associated with the Balloon festival. Bernson stated that the Balloon Glow on Saturday night would once again be held at the Shelby County Airport. Joe Woodall, Rose Township Supervisor, addressed the Board and thanked them for looking into the Copeland Bridge/Kaskaskia River tubing issue. Woodall also asked the Board to consider a donation to the Shelbyville Historical Society to assist with repairs to their building. Cannon requested that both Bernson and Woodall attend the Budget Committee meeting on September 17th, so that Committee could consider their requests.

At this time, Chairman Cannon requested the Board enter into closed session pursuant to statutory citation 5 ILCS 120/2C (11)-to discuss current litigation.

Strohl made motion to adjourn the regular meeting and convene to closed session. Wetherell seconded said motion. Roll Call Vote: Aye: Amling, Barr, Behl, Bennett, Clark, Cruitt, Durbin, Gergeni Hayden, Hunter, Kearney, Lenz, Mulholland, Sims, Simpson, Warner, Wetherell, Williams. Nay: None. Not Voting: Cannon, Warren. Absent: Jordan.

CLOSED SESSION OF THE COUNTY BOARD

The Closed Session was ended, the doors opened and spectators were allowed to return to the meeting. There was no action taken in closed session.

At this time there was no further business to come before the Shelby County Board.

The suburban in not running good. Not allowing it to go out because of expected breakdown.

Mower deck rusted beyond repair. Cost of new deck is \$3100 which is unacceptable. Bought used one for \$300 and John Hall will powder coat it for materials only, \$200-\$300.

Board OK'd to have John go ahead after Scott removes all parts from deck.

Scott also looked at a used deck and passed.

Went to Kuhn's in Arthur, with Jim Looft, and looked at a 1979 tractor with complete rebuilt engine.

Kuhn's would trade for our tractor and \$3300 and Board decide to trade for it.

Waco people were here on June 22nd and hangared for the night and left the next morning.

Gregg Brown was here from Greenville or Carmi ??, and spoke at the Decatur's EAA chapter's June meeting held here in Shelbyville, about his ag spraying business and how they operate.

Gregg also after meeting discussed Brown Engineering from Greenville and that they had switched to them and dropped Hansons.

Bought brackets for mower deck. Kenny Baker has bought Cessna 150 and now has airplane in hangar. AJ Wiss might have his Challenger sold.

The Balloon Fest Committee is going to have a meeting here at the airport. Kevin B, on the committee, suggested the airport get the porta potties, as our part of the expenses.

Balloon Fest plans on having the target drop and glow at the airport. They ask about having the EAA breakfast and Young Eagles Flights at the same time, which would be Columbus Day weekend.

Man called from Brookland, New York that sells fuel hose and hose reels. 50' hose and reel/ \$738.60.

Scott said he is checking into starting his own business. Will discuss more in next few weeks.

Also discussed the insurance issue, that being the biggest issue to deal with.

There would be no Flight Training, Renting of Planes, and No Charter Business, mainly repairs and performing annuals.

Bruce,

How would you like to handle the question from ABATE regarding use of the lot? I could make it an agenda item if you would like. I know they need a decision from the County before they can either plan to use our lot, or look for something else. Thanks!

Bruce Cannon, Chairman Shelby County Board

Dear Bruce,

At this time I wish to resign my appointment to the Eastern Illinois Economic Development Authority. Please find a replacement for me. I would suggest a county board member as is the practice in several of the counties represented.

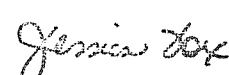

During my tenure we have not be able to bond a project in Shelby County but have done several in Champaign County. This Authority can potentially be a real asset to economic growth in Shelby Courty.

Please notify Mitch Swim, Chairman, EIEDA, First Mid-Illinois Bank & Trust, 2229 S. Neil Street, Champaign, IL 61820 (mswim@firstmid.com) and Andrew Hamilton, Executive Director, EIEDA, 1817 So Neil St, Suite 100, Champaign, IL 61820 (andrewjhamilton@eieda.com).

I was glad to serve but as I enter a new phase in my life I feel that it is someone else's opportunity to serve.

Respectfully,

Jim Looft
