SHELBY COUNTY BOARD MEETING

January 9, 2019 - 9:00 A.M.

The Shelby County Board met on Wednesday, January 9, 2019 at 9:00 A.M. at the Courthouse in Shelbyville, Illinois.

Chairman Cruitt called the meeting to order. Central A & M student Cody Sloan gave the prayer and all present recited the Pledge of Allegiance.

County Clerk Jessica Fox called the roll. Arthur, Behl and Mulholland were absent.

Minutes for the December 12, 2018 board meeting were presented for approval. Wetherell made motion to approve the minutes, pending correction to state Clerk Fox mailed out a corrected listing of committee meeting dates. Fox stated she would correct the minutes to reflect such. Cannon seconded said motion, which passed by voice vote (18 yes, 0 no).

Amling made motion to remove from the table the Solar Farm Ordinance. Hayden seconded said motion, which passed by voice vote (18 yes, 0 no).

Zoning Administrator Jared Rowcliffe updated the Board that since the October meeting, he has met with the Shelby County Farm Bureau to discuss their concerns and listen to their suggestions regarding set back requirements. Robert Hemer, Farm Bureau President, was present at today's meeting. Rowcliffe stated the importance of getting the Ordinance passed so Shelby County has regulations in place regarding Solar Farms. Rowcliffe explained changes can be made to the Ordinance at a later date and those changes will require another public hearing and review by the planning commission and board of appeals. Rowcliffe informed the Board that passing today's Ordinance will allow the County to have standards in place now for Solar Farms.

Wetherell made motion to approve the Solar Farms Ordinance as presented. Williams seconded said motion, which passed by voice vote (18 yes, 0 no). (Solar Farms Ordinance attached to these minutes).

In conjunction with the Ordinance, Rowcliffe next presented a resolution setting the fees for Solar farms. Wetherell made motion to approve the resolution. Coffman seconded said motion, which passed by voice vote (18 yes, 0 no). (Resolution attached to these minutes).

Treasurer Erica Firnhaber addressed the board requesting approval for the updated Investment policy. Firnhaber answered some questions from members regarding the policy.

Bennett made motion to approve the investment policy. Drnjevic seconded said motion, which passed by voice vote (18 yes, 0 no). (Policy attached to these minutes).

Chairman Cruitt addressed the Board to inform them that Rose Township has purchased a new township building located at 209 N. Pine Street in Shelbyville and would like to move their polling place from Shelby Electric Cooperative to their new building.

Wetherell made motion to approve the polling place change. Patterson seconded said motion, which passed by voice vote (18 yes, 0 no).

At this time, Chairman Cruitt called for the County Highway Engineer's report.

Alan Spesard, County Highway Engineer, requested approval for 4 resolutions and 2 agreements. Supportive documents attached to these minutes.

Spesard informed the board members that the annual letting for culverts and rock was held on Friday, January 4, at the Highway Department. There were 2 bidders for 2 different types of pipe. Spesard requested approval to award the low bids to Metal Culverts, Inc. for Group 1(\$22,426.08) and Contech Engineered Solutions for Group 2(\$22,701.82).

Williams made motion to approve the culvert bids. Bennett seconded said motion, which passed by voice vote (18 yes, 0 no).

Spesard next presented the annual rock bids. 11 different groups of rock were bid, and this will be used by the Highway department for road maintenance throughout the year. 4 groups received no bids. Brush Creek Quarry, JHI Excavation and Nokomis Quarry were the low bidders for some of the various rock groups.

Coffman made motion to approve the County's Rock Resolution for 2019. Cannon seconded said motion, which passed by voice vote (18 yes, 0 no).

Spesard requested approval to declare a 1998 single axle dump truck as surplus. Wetherell made motion to approve the resolution to declare this vehicle as surplus. Kearney seconded said motion, which passed by voice vote (18 yes, 0 no).

An engineering agreement between Rhutasel and Associates, Inc. for bridge design was presented for approval. This is a 10 ton posted bridge located on the Ash Grove/Big Spring Township line located 5 miles east of Strasburg. The bridge construction will be 80% federally funded. The bridge design will be 80% state funded, with the remaining 20% to be split between the township and County.

Lenz made motion to approve the agreement. Bennett seconded said motion, which passed by voice vote (18 yes, 0 no).

A joint agreement for funding the Windsor Township Bridge located 2 miles north of Windsor was presented. This bridge will be 80% federally funded and the estimated cost is \$220,000.

Shelby County Board January 9, 2019

Gergeni made motion to approve the funding agreement. Drnjevic seconded said motion, which passed by voice vote (17 yes, 1 nay, Barr).

As now required by IDOT a funding resolution was presented in conjunction with the joint agreement for the Windsor Township Bridge. Durbin made motion to approve the funding resolution. Kearney seconded said motion which passed by voice vote (18 yes, 0 no).

Spesard reported the annual Cold Mix and sealcoat bid letting for the County and Townships will be held on February 8th. Bids for 2 surplus trucks will also be taken on Feb 8th. Copies of the Highway Department's Annual Report were distributed to the Board members prior to the meeting and contain an overview of the projects completed during the past year, along with photos of jobs done, responsibilities of the Road and Bridge Committee, engineering and inspection services, township projects completed, and ways the Highway Department assisted other County agencies throughout the year. Highlighting the Highway Department's Annual Report, Spesard called the Board's attention to page 2, which summarized the 2018 major achievements that included 4 capital improvement projects and receiving 1.82 million in grant funding for future projects.

Chairman Cruitt called for committee reports. (Committee reports are attached to these minutes). Reports were given and items presented for follow-up or for public awareness are as follows:

Farm Committee Chair Jordan stated that the Farm Committee will meet with the County Farm tenant soon to review the Farm Lease.

Rescue Squad Chair Williams stated the rescue squad recently had training with tractors and combines

Public Buildings Chair Wetherell reported that the contractor hoped to have the roofing part of the roof repair project done in the next 2 weeks, weather permitting.

Chairman Cruitt requested the following appointments:

Lana Stephens – Cowden Fire Protection District Trustee. Motion by Bennett, second by Patterson, passed by voice vote (18 yes, 0 no).

Ken Barr – Mental Health "708" Board. Motion by Cannon, second by Drnjevic, passed by voice vote (18 yes, 0 no).

Jim Bolinger – Mental Health "708" Board. Motion by Durbin, second by Drnjevic, passed by voice vote (17 yes, 1 no, Bennett).

At this time, Chairman Cruitt requested a motion to enter into closed session pursuant to 5 ILCS 120/2 (C) (11) possible litigation.

Wetherell made motion to adjourn the regular meeting and convene to closed session. Hayden seconded said motion. Roll Call Vote: Aye: Amling, Barr, Bennett, Cannon, Coffman, Drnjevic, Durbin, Gergeni, Hayden, Jordan, Kearney, Lenz, Metzger, Patterson, Simpson, Swits, Wetherell and Williams. Nay: None. Not Voting: Cruitt. Motion carried.

CLOSED SESSION OF THE COUNTY BOARD

The Closed Session was ended, the doors opened and spectators were allowed to return to the meeting. There was no action taken in closed session.

Wetherell made motion to adjourn the closed meeting and convene to regular session. Williams seconded said motion. Roll Call Vote: Aye: Amling, Barr, Bennett, Cannon, Coffman, Drnjevic, Durbin, Gergeni, Hayden, Jordan, Kearney, Lenz, Metzger, Patterson, Simpson, Swits, Wetherell and Williams. Nay: None. Not Voting: Cruitt. Motion carried.

There was no correspondence, no public body comment and no further business to come before the Shelby County Board.

Metzger made motion to assess mileage and per diem for the January meetings, to pay the bills/payroll as approved by the committees and adjourn until the next regular meeting to be held on February 13, 2019. Cannon seconded said motion, which passed by voice vote (18 yes, 0 no) and the meeting was adjourned at 10:19 A.M.

OF
SHELBY COUNTY, ILLINOIS 2005

No. 19-<u>01-</u>"O"

ADOPTED:

Published in pamphlet form by authority of The County Board of Shelby County, Illinois, this 9th/day of Jan ,2019

Prepared for

The Shelby County Planning Commission
The Shelby County Board of Appeals
The County Board of Shelby County

AN ORDINANCE PROVIDING FOR THE PLACEMENT OF SOLAR FARMS

WHEREAS, an application for amendment to the Zoning Ordinance of Shelby County has been made by the Zoning Administrator and said application was referred to the Shelby County Planning Commission for public hearing at its meeting on October 25th, 2018 recommended such amendments be approved by the Shelby County Board; and,

WHEREAS, said application was referred to the Shelby County Board of Appeals for further hearing and at its meeting on October 25th, 2018 recommended that such amendments be approved by the Shelby County Board; and

WHEREAS, 55 ILCS 5-12, grants authority to County Boards to regulate and restrict location and use of structures for the purpose of promoting the public health, safety, morals, comfort and general welfare; and

WHEREAS, after due consideration, it is the determination of the Shelby County Board that such amendments be made to the Zoning Ordinance of Shelby County; and

WHEREAS, the Zoning Ordinance of Shelby County, No. 05-05 provides for the setting of certain fees to be charged by and paid to Shelby County for various zoning applications, permits and appeals; and

WHEREAS, this ordinance shall be published in pamphlet form;

NOW, THEREFORE, BE IT ORDAINED by the Shelby County Board that the aforementioned Zoning Ordinance be amended as follows:

ARTICLE II Sub-Section 19 SOLAR FARMS shall be added:

ARTICLE II § 19. SOLAR FARM STANDARDS

A. DEFINITIONS

- 1) Solar Farm A solar panel or array composed of multiple solar panels on ground mounted rack or poles which are one of the primary use(s) for the parcel of land on which it is located, or any solar energy system that has a primary purpose for wholesale or retail sales of generated electricity.
- 2) Non-Residential Zoning District means a zoning district that is not zoned exclusively for residential uses ie. Agriculture, General Business and Industrial.
- 3) Community Solar Farm Project Solar installation that allows multiple community members to share in the benefits of a single solar installation. Project must be approved by the Illinois Commerce Commission.

B. DESIGN STANDARDS FOR SOLAR FARMS

- 1) FOUNDATIONS The manufacturer's engineer or another licensed/certified engineer shall certify that the foundation and design of the solar panels are within accepted professional standards, given local soil and climate conditions.
- 2) OTHER STANDARDS AND CODES All solar farms shall be in compliance with any applicable local, state and federal regulatory standards, and the National Electric Code as amended.
- 3) POWER AND COMMUNICATION LINES Power and communication lines running between banks of solar panels and to electric substations or interconnections with buildings shall be buried underground. Exceptions or variances may be granted in instances where shallow bedrock, water courses, or other elements of natural landscape interfere with the ability to bury lines.
- **4) MINIMUM LOT SIZE** No solar farm shall be erected on any parcel less than TEN (10) acres in size or combination of parcels that equal TEN (10) acres or greater.
- 5) HEIGHT Systems, equipment and structures shall not exceed thirty (30) feet in height when ground mounted. Excluded from this requirement is electric transmission lines and utility poles.
- 6) SETBACKS Ground mounted systems as part of a solar farm shall have a setback for all equipment, including fences, a minimum of ONE-HUNDRED (100) feet from all public roadways and FIFTY (50) feet from all other property lines. An exception is that for all property lines of adjoining residential/rural residential properties all equipment, including fences, the setback shall be ONE-HUNDRED (100) feet. The Zoning Board of Appeals may grant a variance to these setback requirements if the proposed or existing screening is sufficient to screen the project from adjoining properties of public rights of way, if the adjoining property owners agree to the waiver of these setback requirements, in writing. The Zoning Board of Appeals granting such a variance would be apart of their recommendation to the County Board.
- 7) Screening and Fencing Systems and equipment of the project shall be fully enclosed and secured by fencing with a minimum height of EIGHT (8) feet. Knox boxes and keys shall be provided at the project entrance for emergency personnel access. Vegetative screening is at the discretion of the Zoning Board of Appeals of the County Board. If vegetative cover is required or provided, a landscape plan shall be submitted for approval by the Zoning Administrator. The landscape plan shall include type of vegetation to be used along with a proposed spacing of plants. Other topographical features and existing vegetative cover may be accepted in lieu or in combination with the above requirements, so long as existing cover conceals the project and is maintained.
- 8) Lighting If lighting is provided it shall be shielded and downcast such that the light does not interfere with adjoining properties.

- 9) Noise Noise levels measured at the property line shall not exceed fifty (50) decibels when located adjacent to an existing residence or residential district.
- **10) Installation and design** Individual arrays/solar panels shall be designed and located in order to prevent glare towards adjacent properties and public rights of way.
- 11) Inspections Each solar farm shall be required to be inspected for compliance with these regulations at the conclusion of installation and annually thereafter. The Shelby County Zoning Administrator or designee will perform said inspection. The installation inspection fee will be included in the permit fee. The fee for the annual inspection will be determined and set from time to time, by resolution, by the County Board. Shelby County will invoice the individual(s) at the conclusion of the inspection along with a written inspection report.
- **12) Signage** An appropriate warning sign shall be provided at the entrance to the facility and along the perimeter to the solar farm project. The sign at the entrance to the facility shall include a 24 hour emergency contact number.
- 13) Aviation Protection For solar units located within 500 feet of an airport or within approach zones of an airport, the applicant must complete and provide the results of the Solar Glare Hazard Analysis Tool (SGHAT) for the Airport Traffic Control Tower cab and final approach paths, consistent with the Interim Policy, FAA Review of Solar Energy Projects on Federally Obligated Airports, or most recent version adopted by the FAA.

C. Application Requirements

The following information shall be provided as part of the application for Installation and Operation of Solar Farm within the County of Shelby. All site plan maps shall be, at minimum, on 11" x 18" prints. Five copies of each map are to be provided.

- 1) A site plan with existing conditions showing the following:
 - **a.** Existing property lines and property lines extending 100 feet from the exterior boundaries, including the names of adjacent property owners and current use of those properties.
 - **b.** Exiting public and private roads, showing widths of the roads and any associated easements.
 - **c.** Location and size of any abandoned wells, sewage treatment facilities, mines or any other underground features that could result in subsidence.
 - **d.** Existing buildings and any impervious surfaces.
 - e. A contour map showing topography at two (2) foot intervals. A contour map of surrounding properties may also be required, at the discretion of the Zoning Administrator and/or Planning Commission or Board of Appeals.

- **f.** Existing vegetation (list type and percent of coverage: ie. Cropland/plowed fields, grassland, wooded areas etc.)
- g. Waterways, watercourses, lakes and public water wetlands.
- h. Any delineated wetland boundaries.
- i. A copy of the current FEMA FIRM map that shows the subject property. And, the one hundred year flood elevation and any regulated flood protection elevation, if available.
- j. Floodway, flood fringe and/or general flood plain district boundary, if applicable and not provided on the copy of the current FEMA FIRM map.
- k. Mapped soils according to the Shelby County Soil Survey.
- I. Surface water drainage patterns.
- m. The location and outlet of any subsurface drainage tiles.

2) Site Plan of Proposed Conditions:

- a. Location and spacing of solar panels.
- b. Location of access roads.
- **c.** Planned location of underground and/or overhead electric lines connecting the solar farm to a building, substation or other electric load.
- **d.** New electrical equipment other than at the existing building or substation that is to be the connection point for the solar farm.
- **e.** Sketch elevation of the premises accurately depicting proposed solar energy conversion system and its relationship to structure on adjacent land.
- f. Weed/Grass control Applicant must present an acceptable weed control plan for property inside and outside fenced area for the entire property. Shelby County encourages all applicants to participate in the Illinois Department of Natural Resources Pollinator Friendly Solar Site program. The Operating Company during the operation of the Solar Farm must maintain the fence and adhere to the weed/grass control plan. If the fence is not secure or the weed/grass control plan is not followed, this would constitute a violation of this ordinance and a fine of up to \$500 per week for each violation, would be assessed.
- 3) Manufacturer's specifications and recommended installation methods for all major equipment, including solar panels, mounting systems and foundations for poles or racks.

- 4) The number of panels to be installed and the maximum generation capacity of the solar farm.
- 5) A description of the method of connecting the array to a building or substation.
- 6) At the time of applying for the special use application a written demonstration shall be provided that the applicant is in the queue to acquire an interconnect agreement. The pre-operation of the project, a copy of an interconnect agreement with the appropriate electric utility, or a written explanation outlining why an interconnection agreement is not necessary shall be provided to the County.
- 7) A decommission plan shall be required to be approved by the County to ensure that facilities are properly removed after their useful life. Decommissioning of solar panels must occur in the event that they are not in use for twelve (12) consecutive months, the operating company and or land owner have six months to complete the decommission plan or the County will take the necessary decommission steps. The plan shall include provisions for removal of all structures (including equipment, fencing and roads) and foundations, restoration of soil and vegetation and a plan ensuring financial resources will be available to fully decommission the site. Decommissioning security financing shall be required by the County in order to assure the proper decommissioning of the site. This security financing shall be in the form of an irrevocable letter of credit or cash placed in a County escrow account. The County Board may, in its sole discretion, agree to accept security, or a portion thereof, in another form such as a bond or corporate guarantee.

An update to this decommissioning plan shall be submitted to the County every three years. In addition, any decommissioning plans signed by the party responsible for decommissioning and the landowner (if different) shall be submitted with the application.

The County holds the right to require additional information as the County deems necessary to be part of the review of this plan.

- 8) The owner operator of the solar farm shall maintain a current general liability policy covering bodily injury and property damage and name Shelby County as an additional insured with limits of at least two million dollars (\$2,000,000.00) per occurrence and five million dollars (\$5,000,000.00) in the aggregate with a deductible of no more than five thousand dollars (\$5,000.00). The applicant/owner must provide proof of insurance to the Shelby County Zoning office prior to construction and then on an annual basis. Applicant must also provide proof of insurance upon any material changes to the terms and conditions of the policy.
- 9) All contact information including name, phone number, and address of the current property owner, lessor, lessee, the interconnecting utility company, and buyer of the power (if applicable and if this information can be disclosed publicly), shall be submitted annually within 30 days of the anniversary date of the Special Use Permit until

decommissioning has been completed at which point the Special Use Permit will be null and void.

D. Community Solar Installations

- 1) All regulations contained herein are applicable to Community Solar installations. Special consideration shall be given to Community Solar installations that are being developed by governmental entities or not for profit Cooperatives.
- 2) Variances may be requested for Community Solar installations that do not require 10 acres for a lot size. However, all set back requirements must be met by the project.
- 3) Permit fee for Community Solar installations may be reduced or waived at the discretion of the Board. Request for fee waiver must be submitted, in writing, with justification for the request.

E. Procedures

- 1) All applications made for a Solar Farm shall be referred to the Shelby County Planning Commission for a public hearing.
- 2) Notice of the hearing shall be given by applicant to all property owners within 250 feet of the proposed project either in person or by certified mail with return receipt.
- 3) Notice shall be published in a paper of general circulation in Shelby County no less than 9 days before the hearing.
- 4) The Shelby County Planning Commission after reviewing the proposed project shall either recommend approval, approval with modifications or denial to the Shelby County Board. The County Board, at their next regularly scheduled meeting, shall approve, approve with modifications or deny the proposed project.

F. Severablility

1) If any section, paragraph, sentence, clause or phrase of this Ordinance is for any reason held to be invalid, such decision shall not affect the remaining portions of this Ordinance.

G. Fee

 A fee may be assessed and collected for a Building Permit for the placement of a Solar Farm; the amount thereof shall be determined and set from time to time, by resolution, by the County Board.

H. Effective Date

This Ordinance shall become effective immediately upon passage by the Shelby County Board.

Duly adopted and approved this 9th day of January 2019.

SHELBY COUNTY
INVESTMENT POLICY
ERICA FIRNHABER
TREASURER

INVESTMENT POLICY

It is always prudent for any public unit to have an Investment Policy in place for the safe guarding of funds, equitably distributing the investments and maximizing income of the governmental unit. The following policy is adopted for the Shelby County Treasurer's office.

SCOPE OF INVESTMENT POLICY

This Investment Policy applies to the investment activities of all finds under the jurisdiction of the Shelby County Treasurer. This Investment Policy will also apply to any new funds or temporary funds placed under the jurisdiction of the Shelby County Treasurer. The Illinois Compiled Statutes will take the precedence except where this policy is more restrictive wherein this policy will take precedence.

OBJECTIVES

The purpose of this Investment Policy of the Shelby County Treasurer is to establish cash management and investment guidelines for the stewardship of public funds under the jurisdiction of the Shelby County Treasurer. The specific objectives of this investment policy will be as follows:

- 1. Safety of principal.
- 2. Diversity of investment to avoid unreasonable risks.
- 3. The portfolio shall remain sufficiently liquid to meet all operating costs which may be reasonably anticipated.
- 4. The highest interest rate available will always be the objective of this policy combined with safety of principal, which is left to the discretion of the Shelby County Treasurer which includes whether or not the Shelby County Treasurer will require collateralization of any deposits.
- 5. In maintaining its investment portfolio, the Shelby County Treasurer shall avoid any transaction that might impair public confidence in the Shelby County Treasurers office.

- 6. All funds shall be deposited within two working days at prevailing rates or better in accordance with the Illinois Compiled Statutes.
- 7. All funds will be invested for a period of one day or longer, depending on the requirement for the disbursement of funds.

RESPONSIBILITY

All investments of funds under the control of the Shelby County Treasurer is the direct responsibility of the Shelby County Treasurer. The Shelby County Treasurer shall be responsible for all transactions and shall establish a system of controls of the activities of all subordinates who are directly involved in the assistance of such investment activities.

3.5

ACCOUNTING

All investment transactions shall be recorded by the Shelby County Treasurer or the Shelby County Treasurer's staff. A report will be generated at least monthly, listing all active investments. This report will be made available to the Shelby County Board.

FINANCIAL INSTITUTIONS

The Shelby County Treasurer will have the sole responsibility to select which financial institutions will be depositories for Shelby County Treasurer funds. The Shelby County Treasurer will take into consideration security, size, location, condition, and service fees. At no time will the Shelby County Treasurer investments exceed 65% of the financial institutions Capital and Surplus. All financial institutions having any type of financial relationships; deposits, investments, loans, etc. are required to make available for public view a complete and current "Call Report" required by their appropriate regulatory authority each calendar quarter within 30 days of the "Call" request date.

INVESTMENT VEHICLES

The Shelby County Treasurer will use investments approved for governmental units as set forth in the most current issue of the Illinois Compiled Statutes including Securities Exchange Commission registered and AAA rated by Fitch and Standard & Poor's mutual funds consisting of U.S. Government Treasuries.

COLLATERAL

It shall be the direction of the Shelby County Treasurer to determine whether or not collateral will be required of financial institutions receiving funds from the Shelby County Treasurer. At all times the Shelby County Treasurer will require that deposits in excess of FDIC insurable limits be collateralized. The Shelby County Treasurer may request collateral for any part of deposits in financial institutions when the Shelby County Treasurer determines it to be in the best interest of safeguarding the funds on deposit. When collateral is required, 100% of the deposit will be required. Only the following collateral will be accepted:

- 1. U.S. Government direct securities
- 2. Obligations of Federal Agencies
- 3. Obligations of Federal Instruments
- 4. Obligations of the State of Illinois
- 5. Obligations of the County of Shelby
- 6. Obligations of municipalities located within County of Shelby
- 7. Federal Home Loan Bank Irrevocable Letter of Credit

Subject to acceptance by the Shelby County Treasurer. Acceptable Collateral as identified in the Illinois Compiled Statutes for use by the Treasurer of the State of Illinois. Investments shall be made with judgement and care. Investments shall be made not for speculation, but for investment, considering the probable safety of their capital as well as the possible income to be derived. The above standard is established as the standard for professional responsibility and shall be applied in the context of managing the Shelby County Treasurer's portfolio.

SECURITY CONTROLS

Only the Shelby County Treasurer is authorized to establish financial accounts for the office of Shelby County Treasurer. At all times either the Shelby County Treasurer or their appointee is authorized to sign on financial accounts of the office of the Shelby County Treasurer.

as direct payroll material cost plus payrolls, insurance, social security and retirement deductions. Traveling and other out-of-pocket expenses will be reimbursed to the ENGINEER per [a] at his actual cost. Subject to the approval of the LA, the ENGINEER may sublet all or part of the services provided under the paragraph 1a,1b,1c,1d,1e,1f,1h,1j,1k, &1l. If the ENGINEER sublets all or part of this work, the LA will pay the cost to the ENGINEER plus a five (5) percent service charge. "Cost to Engineer" to be verified by furnishing the LA and the DEPARTMENT copies of invoices from the party doing the work. The classifications of the employees used in the work should be consistent with the employee classifications for the services performed. If the personnel of the firm, including the Principal Engineer, perform routine services that should normally be performed by lesser-salaried personnel, the wage rate billed for such services shall be commensurate with the work performed.

[a] on a Time & Materials basis according to the rates shown on the attached EXHIBIT "A"

- 3. That payments due the ENGINEER for services rendered in accordance with this AGREEMENT will be made as soon as practicable after the services have been performed in accordance with the following schedule:
 - a. Upon completion of detailed plans, special provisions, proposals and estimate of cost being the work required by paragraphs 1a through 1g under THE ENGINEER AGREES to the satisfaction of the LA and their approval by the DEPARTMENT, 90 percent of the total fee due under this AGREEMENT based on the approved estimate of cost.
 - b. Upon award of the contract for the improvement by the LA and its approval by the DEPARTMENT, 100 percent of the total fee due under the AGREEMENT based on the awarded contract cost, less any amounts paid under "a" above.

By Mutual agreement, partial payments, not to exceed 90 percent of the amount earned, may be made from time to time as the work progresses.

- c. On a monthly basis for the actual cost of performing such work <u>according to the rates shown on the attached</u>

 <u>EXHIBIT "A"</u> plus 200 percent to cover overhead, profit, and readiness to serve plus any related direct costs –

 "actual cost" being defined as in paragraph 2 of THE LA AGREES.
- d. 90% of the Lump Sum fee upon submittal to the LA and the DEPARTMENT the pre-final Plans, Specifications, and Estimates, less any amounts paid under "c" above.
- e. 100% of the Lump Sum fee upon submittal to the LA and the DEPARTMENT the final Plans, Specifications, Estimates, and Bridge Load Rating, less any amounts paid under "c" and "d" above.
- 4. That, should the improvement be abandoned at any time after the ENGINEER has performed any part of the services provided for in paragraphs 1a through 1k 1l and prior to the completion of such services, the LA shall reimburse the ENGINEER for his actual costs plus _____ percent incurred up to the time he is notified in writing of such abandonment -- "actual cost" being defined as in paragraph 2 of THE LA AGREES. according to the rates shown on the attached EXHIBIT "A"
- 5. That, should the LA require changes in any of the detailed plans, specifications or estimates except for those required pursuant to paragraph 4 of THE ENGINEER AGREES, after they have been approved by the DEPARTMENT, the LA will pay the ENGINEER for such changes on the basis of actual cost plus _______ percent according to the rates shown on the attached EXHIBIT "A" to cover profit, overhead and readiness to serve "actual cost" being defined as in paragraph 2 of THE LA AGREES. It is understood that "changes" as used in this paragraph shall in no way relieve the ENGINEER of his responsibility to prepare a complete and adequate set of plans and specifications.

It is Mutually Agreed,

- 1. That any difference between the ENGINEER and the LA concerning their interpretation of the provisions of this Agreement shall be referred to a committee of disinterested parties consisting of one member appointed by the ENGINEER, one member appointed by the LA and a third member appointed by the two other members for disposition and that the committee's decision shall be final.
- 2. This AGREEMENT may be terminated by the LA upon giving notice in writing to the ENGINEER at his last known post office address. Upon such termination, the ENGINEER shall cause to be delivered to the LA all surveys, permits.

agreements, preliminary bridge design & hydraulic report, drawings, specifications, partial and completed estimates and data, if any from traffic studies and soil survey and subsurface investigations with the understanding that all such material becomes the property of the LA. The ENGINEER shall be paid for any services completed and any services partially completed in accordance with Section 4 of THE LA AGREES.

- 3. That if the contract for construction has not been awarded one year after the acceptance of the plans by the LA and their approval by the DEPARTMENT, the LA will pay the ENGINEER the balance of the engineering fee due to make 100 percent of the total fees due under this AGREEMENT, based on the estimate of cost as prepared by the ENGINEER and approved by the LA and the DEPARTMENT.
- 4. That the ENGINEER warrants that he/she has not employed or retained any company or person, other than a bona fide employee working solely for the ENGINEER, to solicit or secure this contract, and that he/she has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the ENGINEER, any fee, commission, percentage, brokerage fee, gifts or any other consideration, contingent upon or resulting from the award or making of this contract. For Breach or violation of this warranty the LA shall have the right to annul this contract without liability.

IN WITNESS WHEREOF, the parties have caused the AGREEMENT to be executed in quadruplicate counterparts, each of which shall be considered as an original by their duly authorized officers.

Agreement Provisions

THE LPA AGREES:

- To acquire in its name, or in the name of the STATE if on the STATE highway system, all right-of-way necessary for this project in accordance with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and established State policies and procedures. Prior to advertising for bids, the LPA shall certify to the STATE that all requirements of Titles II and III of said Uniform Act have been satisfied. The disposition of encroachments, if any, will be cooperatively determined by representatives of the LPA, and the STATE and the FHWA, if required.
- (2) To provide for all utility adjustments, and to regulate the use of the right-of-way of this improvement by utilities, public and private, in accordance with the current Utility Accommodation Policy for Local Agency Highway and Street Systems.
- (3) To provide for surveys and the preparation of plans for the proposed improvement and engineering supervision during construction of the proposed improvement.
- (4) To retain jurisdiction of the completed improvement unless specified otherwise by addendum (addendum should be accompanied by a location map). If the improvement location is currently under road district jurisdiction, an addendum is required.
- (5) To maintain or cause to be maintained, in a manner satisfactory to the **STATE** and the **FHWA**, the completed improvement, or that portion of the completed improvement within its jurisdiction as established by addendum referred to in item 4 above.
- (6) To comply with all applicable Executive Orders and Federal Highway Acts pursuant to the Equal Employment Opportunity and Nondiscrimination Regulations required by the U.S. Department of Transportation.
- To maintain, for a minimum of 3 years after final project close-out by the STATE, adequate books, records and supporting documents to verify the amounts, recipients and uses of all disbursements of funds passing in conjunction with the contract; the contract and all books, records and supporting documents related to the contract shall be available for review and audit by the Auditor General and the department; and the LPA agrees to cooperate fully with any audit conducted by the Auditor General and the STATE; and to provide full access to all relevant materials. Failure to maintain the books, records and supporting documents required by this section shall establish a presumption in favor of the STATE for the recovery of any funds paid by the STATE under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.
- (8) To provide if required, for the improvement of any railroad-highway grade crossing and rail crossing protection within the limits of the proposed improvement.
- (9) To comply with Federal requirements or possibly lose (partial or total) Federal participation as determined by the FHWA.
- (10) (State Contracts Only) That the method of payment designated on page one will be as follows:
 - Method A Lump Sum Payment. Upon award of the contract for this improvement, the LPA will pay to the STATE within thirty (30) calendar days of billing, in lump sum, an amount equal to 80% of the LPA's estimated obligation incurred under this Agreement. The LPA will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) within thirty (30) calendar days of billing in a lump sum, upon completion of the project based on final costs.
 - Method B Monthly Payments. Upon award of the contract for this improvement, the LPA will pay to the STATE, a specified amount each month for an estimated period of months, or until 80% of the LPA's estimated obligation under the provisions of the Agreement has been paid, and will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) in a lump sum, upon completion of the project based upon final costs.
 - Method C Progress Payments. Upon receipt of the contractor's first and subsequent progressive bills for this improvement, the LPA will pay to the STATE within thirty (30) calendar days of receipt, an amount equal to the LPA's share of the construction cost divided by the estimated total cost, multiplied by the actual payment (appropriately adjusted for nonparticipating costs) made to the contractor until the entire obligation incurred under this Agreement has been paid.

Failure to remit the payment(s) in a timely manner as required under Methods A, B, or C, shall allow the **STATE** to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the **STATE** to **LPA** on this or any other contract. The **STATE**, at its sole option, upon notice to the **LPA**, may place the debt into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as my be required to recover the debt.

- (11) (Local Contracts or Day Labor) To provide or cause to be provided all of the initial funding, equipment, labor, material and services necessary to construct the complete project.
- (12) (Preliminary Engineering) In the event that right-of-way acquisition for, or actual construction of, the project for which this preliminary engineering is undertaken with Federal participation is not started by the close of the tenth fiscal year following the fiscal year in which the project is federally authorized, the LPA will repay the STATE any Federal funds received under the terms of this Agreement.
- (13) (Right-of-Way Acquisition) In the event that the actual construction of the project on this right-of-way is not undertaken by the close of the twentieth fiscal year following the fiscal year in which the project is federally authorized, the LPA will repay the STATE any Federal Funds received under the terms of this Agreement.

(14) (Railroad Lated Work Only) The estimates and general layout plans for at-grade crossing improvements should be forwarded to the Rail Safety and Project Engineer, Room 204, Illinois Department of Transportation, 2300 South Dirksen Parkway, Springfield, Illinois, 62764. Approval of the estimates and general layout plans should be obtained prior to the commencement of railroad related work. All railroad related work is also subject to approval be the Illinois Commerce Commission (ICC). Final inspection for railroad related work should be coordinated through appropriate IDOT District Bureau of Local Roads and Streets office.

Plans and preemption times for signal related work that will be interconnected with traffic signals shall be submitted to the ICC for review and approval prior to the commencement of work. Signal related work involving interconnects with state maintained traffic signals should also be coordinated with the IDOT's District Bureau of Operations.

The LPA is responsible for the payment of the railroad related expenses in accordance with the LPA/railroad agreement prior to requesting reimbursement from IDOT. Requests for reimbursement should be sent to the appropriate IDOT District Bureau of Local Roads and Streets office.

Engineer's Payment Estimates shall be in accordance with the Division of Cost on page one.

- (15) And certifies to the best of its knowledge and belief its officials:
 - (a) are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) have not within a three-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements receiving stolen property;
 - (c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, local) with commission of any of the offenses enumerated in item (b) of this certification; and
 - (d) have not within a three-year period preceding the Agreement had one or more public transactions (Federal, State, local) terminated for cause or default.
- (16) To include the certifications, listed in item 15 above, and all other certifications required by State statutes, in every contract, including procurement of materials and leases of equipment.
- (17) (State Contracts) That execution of this agreement constitutes the LPA's concurrence in the award of the construction contract to the responsible low bidder as determined by the STATE.
- (18) That for agreements exceeding \$100,000 in federal funds, execution of this Agreement constitutes the LPA's certification that:
 - (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress or any employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement;
 - (b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress, in connection with this Federal contract, grant, loan or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions;
 - (c) The LPA shall require that the language of this certification be included in the award documents for all subawards at all ties (including subcontracts, subgrants and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.
- (19) To regulate parking and traffic in accordance with the approved project report.
- (20) To regulate encroachments on public right-of-way in accordance with current Illinois Compiled Statutes.
- (21) To regulate the discharge of sanitary sewage into any storm water drainage system constructed with this improvement in accordance with current Illinois Compiled Statutes.
- To complete this phase of the project within three (3) years from the date this agreement is approved by the **STATE** if this portion of the project described in the Project Description does not exceed \$1,000,000 (five years if the project costs exceed \$1,000,000).
- (23) To comply with the federal Financial Integrity Review and Evaluation (FIRE) program, which requires States and subrecipients to justify continued federal funding on inactive projects. 23 CFR 630.106(a)(5) defines an inactive project as a project which no expenditures have been charged against Federal funds for the past twelve (12) months.
 - To keep projects active, invoicing must occur a minimum of one time within any given twelve (12) month period. However, to ensure adequate processing time, the first invoice shall be submitted to the **STATE** within six (6) months of the federal authorization date. Subsequent invoices will be submitted in intervals not to exceed six (6) months.
- The LPA will submit supporting documentation with each request for reimbursement from the STATE. Supporting documentation is defined as verification of payment, certified time sheets or summaries, vendor invoices, vendor receipts, cost plus fix fee invoice, progress report, and personnel and direct cost summaries.and other documentation supporting the requested reimbursement amount (Form BLRS 05621 should be used for consultant invoicing purposes). LPA invoice requests to the STATE will be submitted with sequential invoice numbers by project.

The LPA submit to the STATE a complete and detailed final invoice with applicable supporting document of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of this phase of the improvement or from the date of the previous invoice, which ever occurs first. If a final invoice is not received within this time frame, the most recent invoice may be considered the final invoice and the obligation of the funds closed.

- The LPA shall provide the final report to the appropriate STATE district within twelve months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.
- (26) (Single Audit Requirements) That if the **LPA** expends \$750,000 or more a year in federal financial assistance they shall have an audit made in accordance with 2 CFR 200. **LPA**s expending less than \$750,000 a year shall be exempt from compliance. A copy of the audit report must be submitted to the **STATE** (Office of Finance and Administration, Audit Coordination Section, 2300 South Dirksen Parkway, Springfield, Illinois, 62764), within 30 days after the completion of the audit, but no later than one year after the end of the **LPA**'s fiscal year. The CFDA number for all highway planning and construction activities is 20.205.

Federal funds utilized for constructon activities on projects let and awarded by the STATE (denoted by an "X" in the State Contract field at the top of page 1) are not included in a LPA's calculation of federal funds expended by the LPA for Single Audit purposes.

That the LPA is required to register with the System for Award Management or SAM (formerly Central Contractor Registration (CCR)), which is a web-enabled government-wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract award and the electronic payment processes. To register or renew, please use the following website: https://www.sam.gov/portal/public/SAM/#1.

The **LPA** is also required to obtain a Dun & Bradstreet (D&B) D-U-N-S Number. This is a unique nine digit number required to identify subrecipients of federal funding. A D-U-N-S number can be obtained at the following website: http://fedgov.dnb.com/webform.

THE STATE AGREES:

- (1) To provide such guidance, assistance and supervision and to monitor and perform audits to the extent necessary to assure validity of the LPA's certification of compliance with Titles II and III requirements.
- (2) (State Contracts) To receive bids for the construction of the proposed improvement when the plans have been approved by the STATE (and FHWA, if required) and to award a contract for construction of the proposed improvement, after receipt of a satisfactory bid.
- (3) (Day Labor) To authorize the **LPA** to proceed with the construction of the improvement when Agreed Unit Prices are approved, and to reimburse the **LPA** for that portion of the cost payable from Federal and/or State funds based on the Agreed Unit Prices and Engineer's Payment Estimates in accordance with the Division of Cost on page one.
- (4) (Local Contracts) For agreements with Federal and/or State funds in engineering, right-of-way, utility work and/or construction work:
 - (a) To reimburse the LPA for the Federal and/or State share on the basis of periodic billings, provided said billings contain sufficient cost information and show evidence of payment by the LPA;
 - (b) To provide independent assurance sampling, to furnish off-site material inspection and testing at sources normally visited by **STATE** inspectors of steel, cement, aggregate, structural steel and other materials customarily tested by the **STATE**.

IT IS MUTUALLY AGREED:

- (1) Construction of the project will utilize domestic steel as required by Section 106.01 of the current edition of the Standard Specifications for Road and Bridge Construction and federal Buy America provisions.
- (2) That this Agreement and the covenants contained herein shall become null and void in the event that the **FHWA** does not approve the proposed improvement for Federal-aid participation within one (1) year of the date of execution of this Agreement.
- (3) This Agreement shall be binding upon the parties, their successors and assigns.
- For contracts awarded by the LPA, the LPA shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any USDOT assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The LPA shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of USDOT assisted contracts. The LPA's DBE program, as required by 49 CFR part 26 and as approved by USDOT, is incorporated by reference in this Agreement. Upon notification to the recipient of its failure to carry out its approved program, the STATE may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for

- (5) In cases where the **STATE** is reimbursing the **LPA**, obligations of the **STATE** shall cease immediately without penalty or further payment being required if, in any fiscal year, the Illinois General Assembly or applicable Federal Funding source fails to appropriate or otherwise make available funds for the work contemplated herein.
- (6) All projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement and/or amendment shall be subject to the Prevailing Wage Act (820 ILCS 130/0.01 et seq.) unless the provisions of that Act exempt its application.

Grant Accountability and Transparency Act (GATA)

Required Uniform Reporting

The Grant Accountability and Transparency Act (30 ILCS 708), requires a uniform reporting of expenditures. Uniform reports of expenditures shall be reported no less than quarterly using IDOT's <u>BoBS 2832</u> form available on IDOT's web page under the "Resources" tab.

Additional reporting frequency may be required based upon specific conditions, as listed in the accepted Notice of State Award (NOSA). Specific conditions are based upon the award recipient/grantee's responses to the Fiscal and Administrative Risk Assessment (ICQ) and the Programmatic Risk Assessment (PRA).

PLEASE NOTE: Under the terms of the Grant Funds Recovery Act (30 ILCS 705/4.1), "Grantor agencies may withhold or suspend the distribution of grant funds for failure to file requirement reports" if the report is more than 30 calendar days delinquent, without any approved written explanation by the grantee, the entity will be placed on the Illinois Stop Payment List. (Refer to the Grantee Compliance Enforcement System for detail about the Illinois Stop Payment List: https://www.illinois.gov/sites/GATA/Pages/ResourceLibrary.aspx)

COUNTY HIGHWAY DEPARTMENT FUNDING

ANNUAL LOCAL TAX & STATE MFT FUNDING

Shelby County receives local property tax funds and State motor fuel tax (MFT) funds. These funds are considered "Special Revenue Funds" due to the fact that they are legally restricted for expenditures for use by the Shelby County Highway Department for the construction and maintenance of Highways. The local tax revenues and expenditures are internally controlled by the County Bridge, County Highway, and Federal Aid Secondary accounts. The state motor fuel tax revenues and expenditures are internally controlled by the County Motor Fuel Tax and Township Motor Fuel Tax accounts. The expenditures and revenues associated with these funds are audited annually by the Shelby County contracted accounting firm of "Mose, Yockey, Brown & Kull, LLC (MY&K)". In addition to the audit performed by MY&K, the State & Township MFT expenditures and revenues are audited by the Illinois Department of Transportation.

Details associated with these revenues and expenditures for the current Fiscal Year ending in August 31, 2018 will be published by MY&K in a report entitled "AUDITED FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION" in the spring of 2019.

STATE & FEDERAL CONTROLLED FUNDING

The IDOT committed State and Federal Funding for Shelby County Capital Improvement Projects as follows:

- Total Federal, State and local Construction Funds for Bridge & Road Projects = \$1.71 million
- Federal Bridge and Road Funds toward 80 % of the awarded contract construction and engineering costs for township and County bridges.
- o State Bridge Funds toward the awarded design engineering, contract construction & construction engineering costs for township bridges construction

These funds are administered and controlled by the IDOT.

MISCELLANEOUS FUNDING

The Shelby County Highway Department miscellaneous funding as follows:

- Engineering fees from the \$2.0 million Township Motor Fuel Tax Program, totaling approximately \$80,000 for technical and contract administration services
- Maintenance expense reimbursement for approved petitions from townships and villages.
- Engineering Fees reimbursed for Construction Oversite of Grant funded projects: Henton Bridge and Wood Street Bridge

Law Enforcement Committee Shelbyville Detention Center 9:00 a.m. – 10:30 a.m.

Members Present: Sheriff Koonce, Kay Kearney, Gary Patterson, Bob Simpson

Absent: Rob McCall

The Law Enforcement Committee welcomed Gary Patterson to the committee and there was a discussion regarding how this committee works to serve the needs of the Sheriff and the County Board.

Topics included:

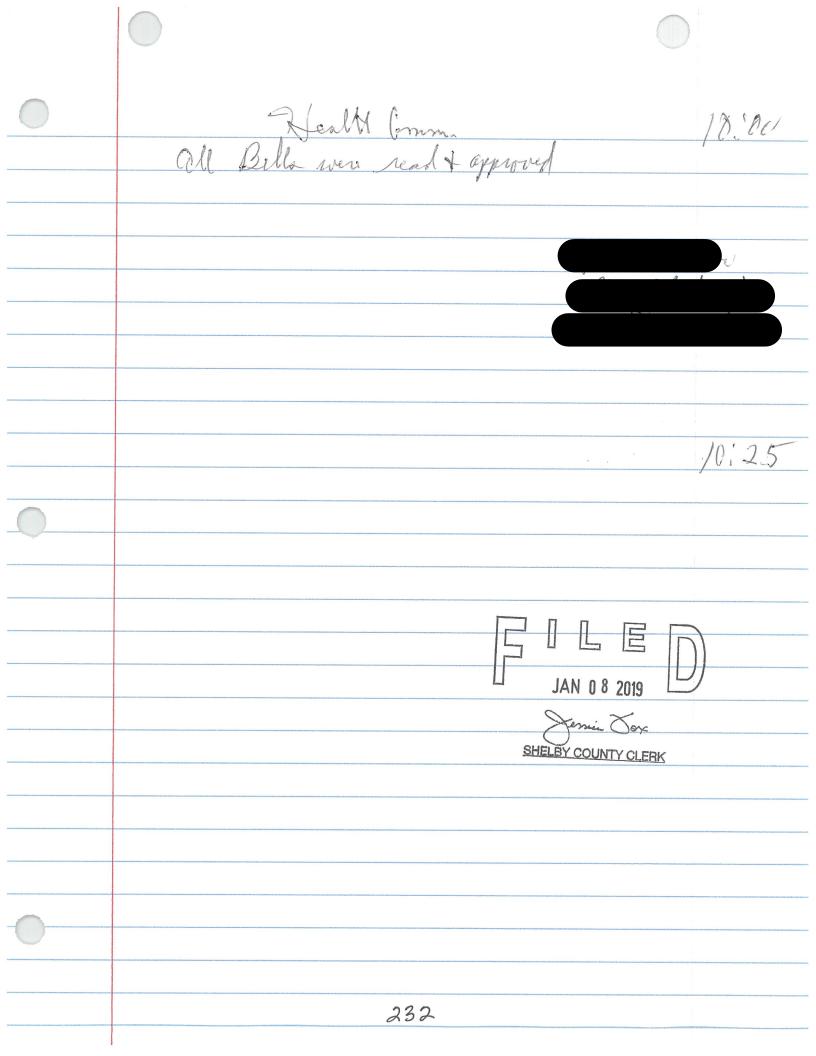

Food and medical care of inmates
Concerns of uncollected fees
Staffing and scheduling
Technology and training updates
Quartermaster program/uniform allowances

Gary will have the opportunity to tour the facility at another time.

New guidelines for cell phones in the courtroom were discussed. Sheriff Koonce will be meeting with Courthouse Security to implement such changes. The general public will be allowed to keep their cell phones unless they are deemed a nuisance.

The Committee reviewed the expenditures and the Shop With A Cop fund account.

Newly Elected Officials Training

County officials serve on the front lines of our democracy. It can be a challenging responsibility, particularly for those recently elected. With the proper preparation and training, county officials can assume their responsibilities of office smoothly and efficiently.

CERTIFIED COUNTY OFFICIALS PROGRAM

SPONSORED BY

Illinois Association of County Officials (IACO)
Illinois Association of County Board Members and Commissioners (IACBM)

Transitions to public office can be challenging. We can help.

Our approach is a simple one... educate and communicate.

The Newly Elected Officials Training provides an opportunity for Illinois county officials to increase their knowledge and understanding of county government, especially as it relates to the role and responsibility of the elected official. The training provides information designed to increase the awareness of the legal, ethical and financial responsibilities of all county officials. Further, the training provides credit towards the voluntary Certified County Officials (CCO) program.

ETHICS AND PUBLIC INTEGRITY

As an elected official, it is important to avoid even the appearance of ethical misconduct. Unethical behavior can lead to fines, voided contracts, and even removal from office. State law prohibits elected officials from engaging in conflicts of interest, such as securing special privileges for themselves, receiving gifts related to their work, disclosing confidential information, having financial interests in most public contracts, or holding incompatible offices.

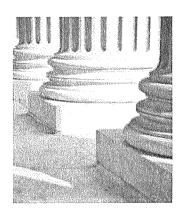

OPEN PUBLIC MEETINGS

The Open Meetings Act (OMA) is a state law that requires meetings of public bodies to be open to the public except in certain situations. The OMA contains specific posting notices and requirements for regular meetings, special meetings, and executive sessions. Violations of the Illinois Open Meetings Act are considered class C misdemeanors.

PARLIAMENTARY PROCEDURES FOR MEETINGS

Newly-elected officials typically have a desire to make changes in some aspect of county government. To do so, requires an understanding of the principles of deliberation in a public body.

Parliamentary procedures like Roberts' Rules of Order spell out the rules of engagement so that debate, discussion, and decision-making are transacted in an orderly way – balancing the protection of the rights of individual members with the rights of the group.

ACCESS TO PUBLIC RECORDS

The Freedom of Information Act (FOIA) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure. The law requires each public agency to nominate an officer to be the official keeper of public records, as well as complete an online training course, established by the attorney general.

PANEL DISCUSSIONS WITH EXPERIENCED COUNTY OFFICIALS IN SPECIFIC AREAS OF PRACTICE

COUNTY CLERKS AND RECORDERS

The county clerk is the keeper of all county records. Duties of the county clerk's office range from administering elections to conducting a great deal of the state's taxation duties. The complexity of the recording process, along with the volume of work and the many different types of instruments required to be filed in the clerk's office, place much responsibility on the county clerk.

COUNTY TREASURERS

The county treasurer serves as the county's banker, responsible for the safe keeping and prudent investing of public funds. As the lawful custodian of county funds, the treasurer has the responsibility to receive and distribute the revenue and public monies of the county. The county treasurer also serves as county collector of taxes and is responsible for the preparation of tax bills and for the collection and distribution of property taxes.

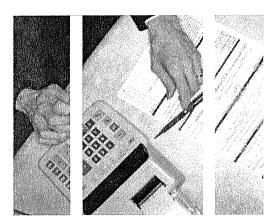

CIRCUIT COURT CLERKS

The Clerk of the Circuit Court is the official record keeper for the courts. The circuit clerk is an integral part of the entire county governmental process and is endowed with certain authority to aid and promote the judicial process. The circuit clerk is not an official of local government but a state constitutional officer. The primary duty of the circuit clerk is to assist the Circuit Court judge in the execution of their judicial duties.

CHIEF COUNTY ASSESSMENT OFFICERS

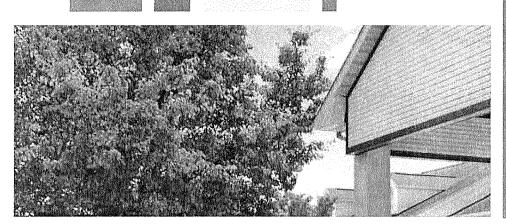

The county assessor plays an important role in local government which is to value and assess real estate and personal property located within the county. The assessor is responsible for publishing assessment change notices, delivering assessment books to the Board of Review and preparing a tentative abstract of the assessment books for the Department of Revenue.

BASICS OF COUNTY BUDGETING

Fiscal management is one of the key responsibilities of elected officials. The operating budget is the most important financial document and provides a road map for the year and a reflection of your county's priorities. It provides the legal authority to incur and pay expenses by allocating available resources to provide services for your citizens. You should familiarize yourself with your county's current operating budget, as well as its budget development process and policies.

Honorable David Cruitt, Chair c/o Honorable Jessica Fox, County Clerk Shelby County Board 301 E. Main Street Shelbyville, IL 62565

Re: Cowden Fire Protection District Trustee Appointment

Dear Mr. Cruitt:

I am currently serving as trustee of the Cowden Fire Protection District. I have recently been advised by the District's attorney that the records of the County Clerk do not show my reappointment to the Board in 2016 when my last term would have ended. Since the current term for my position on the Board is set to expire in May 2019, I am requesting that I be appointed for a term ending the first Monday in May 2022 which will comport with the three-year term for the seat which I hold on the Board at this time. This will obviate the need for me to seek re-appointment again prior to May 2019.

If there are any questions concerning the foregoing, or if any additional information is needed to complete my appointment, please contact me at 217-690-3539.

Thank you.

Sincerely,

Lana Stephens
