

IMPORTANT LEGAL INFORMATION

The Illinois Funds is an investment pool for public funds administered by the Illinois State Treasurer's Office ("Treasurer") as authorized by 15 ILCS 505/17. Please review the digital enrollment paperwork and [FAQ](#) on the Treasurer's website for important information that you should review before opening an account in the Illinois Funds. Neither the funds contributed to an Illinois Funds account, nor earnings thereon, are guaranteed or insured by the United States, the State of Illinois or any other state, the Treasurer, any other state or federal agency, the Federal Deposit Insurance Corporation, or any other entity. Investors should consider, in light of their particular circumstances, the investment objectives, as well as the risks, charges, and expenses associated with investing in the Illinois Funds, as well as the relative suitability of investing therein before investing. Investors should consult their financial, investment, tax, or other advisor for more information. Past performance is not an indication of future performance.
